President's Message

Friends and partners,

CHCI nurtures developing leadership – across sectors, levels, and communities – in order to support a robust and civically engaged society where all people have the chance to experience the representation they deserve.

Each year, the staff, Board of Directors, Advisory Council, and dedicated volunteers collaborate to advance this mission. This report outlines wins and highlights from some of our most fruitful work, both to inform our network of our ongoing impact and to invite greater support from across our broader community.

Through our signature programs and strategic convenings, in 2024 we were able to continue to strengthen the leadership pipeline and offer bright Latino talent a platform on which to shine – and a launch pad from which to catapult into greater levels of success. The narrative that follows reflects the commitment of our supporters, including partners like you who share a desire to create opportunity and forge new pathways to progress.

Over the past year, we proudly convened thousands of leaders from the public, private, and nonprofit sectors, expanded the CHCI Alumni Network, engaged Members of Congress in dialogue, and created meeting spaces where Latino professionals and cross-sector leaders could explore solutions to critical issues that impact the lives and welfare of millions of individuals and their families.

After more than 45 years since the organization's founding, we are proud of all we have accomplished. We are also eager to continue to make a positive impact and to leave an inspiring and honorable legacy in the world.

Thank you for being part of our journey and story. We are deeply grateful for your support and partnership!

Sincerely,

Marco A. Davis

CHCI President and CEO

CHCI Alumni

At CHCI, we believe leadership begins with opportunity — the kind that transforms lives, builds lasting networks, and opens paths to a better future. Through our leadership programs, national convenings, and growing alumni community, we are shaping a future where Latino leaders thrive across every sector.

Those who journey with CHCI do not just gain experience; they gain purpose. They become advocates, policymakers, innovators, and changemakers who carry their communities forward and redefine what leadership looks like in America.

We are developing a generation of leaders whose influence will shape policy, culture, and opportunity for years to come.

hosted CHCI Interns and Fellows for their placements

CHCI opens doors to greater success for established and emerging leaders through competitive, advanced-level congressional internships and fellowships that boost the power of academic preparation with real-world experience, intentional professional exchanges, and a broadened network.

Through CHCI, students and young professionals obtain:

- Valuable career experience
- Mentorship from policymakers and other professionals
- Skills refinement
- Hands-on knowledge of the legislative process

LEADERSHIP DEVELOPMENT PROGRAMS

CONGRESSIONAL INTERNSHIP PROGRAM

The **Congressional Internship Program (CIP)** equips participants with legislative knowledge, cultural competency, an extensive network, and personal and professional leadership skills. The CHCI Congressional Internship Program (CIP) provides college students of any major with a paid placement in a congressional office for a period of 10-12 weeks. Students gain work experience, participate in community service, and receive educational and professional programming provided by CHCI. As they work together, serve the community, and explore the nation's capital, interns build bonds that last well beyond the program.

“My experience as a CHCI intern was unforgettable and fulfilling. I never saw myself working on the Hill, and through this opportunity, I learned this was the space for me. I acquired knowledge about the legislative process, made lifelong friends, learned from Latinx leaders, and found a newfound confidence in myself to continue to pursue my dreams and uplift our communities.”

Luz Escobar Zapata

PUBLIC POLICY AND POSTGRADUATE FELLOWSHIP PROGRAM

The **CHCI Public Policy Fellowship Program** offers talented recent graduates a paid, nine-month fellowship to accelerate their careers as public policy leaders. Participants are placed in a congressional office on Capitol Hill for the first half of their fellowship and have the option to pursue a different placement during the second half that aligns even more closely with their policy interests. The range of placements includes congressional offices, committees, federal agencies, the White House, and national non-profit organizations. Programming prepares participants to fully understand policy issues faced by the Latino community and propose effective solutions that critically consider multiple sides and implications of these issues.

“Coming from a place that is not very diverse, I now know myself better with the help of CHCI. I have never had the opportunity to be around so many intentional, intelligent, and caring Latinos who all want to support me and the next generation of Latino Leaders.”

Bryan Moose

The **CHCI Postgraduate Fellowship Program** offers emerging leaders with advanced degrees the opportunity to draw connections between their field of study and public policy. This paid, nine-month fellowship places participants on Capitol Hill four days a week, obtaining unparalleled work experience and gaining exposure to the legislative process. Fellows are immersed in the legislative process, learning various facets of public policy and examining timely content that helps create opportunities to transform, influence, and connect the next generation of Latino leaders. Weekly programming refines leadership abilities, affirms career goals and areas of focus, and creates space for young leaders to discuss policy issues of national concern. Postgraduate fellows also are able to highlight their expertise in a policy issue area by organizing and hosting a briefing on Capitol Hill where they discuss an issue brief they have authored. Postgraduate Fellowship concentrations this year include: health, education, international affairs, technology, clean energy, child welfare, housing and law.

NEXTGEN LATINO LEADERSHIP PROGRAM

The **NextGen Latino Leadership Program** provides rising juniors and seniors in high school the opportunity to spend a week in Washington, DC exploring the role the capital plays in shaping our nation's past, present, and future.

Alongside their peers, they gain a better understanding of top issues faced by communities throughout the country and learn how to create impactful change and elevate their voice. Through this immersive program, students engage in interactive workshops, hands-on leadership training, civic engagement activities, networking sessions, and career exploration opportunities, while receiving mentorship and gaining valuable insights into public service and policymaking.

By connecting young leaders with CHCI's extensive network of professionals, policymakers, and alumni, the NextGen program builds a strong foundation for future success in higher education, leadership, and public service.

**“If it weren’t for CHCI
NextGen, I would never have
experienced such an
accepting group of people
with a shared identity and
motivations, and I also
wouldn’t have felt as
empowered as I do now as a
first generation student.”**

LATINO HILL STAFF ACADEMY

The **CHCI Latino Hill Staff Academy (LHSA)** is a non-partisan, bicameral program dedicated to providing professional and leadership development opportunities for Capitol Hill staff at every role and level in the U.S. Senate and House of Representatives. The program brings together staffers to experience personal and professional growth opportunities by supporting their leadership development and management skills through both in person and virtual learning sessions. The Academy provides participants with opportunities to expand their networks and engage in professional development opportunities that focus on advancement in their current and future roles, both on and off the Hill.

“Being a Latino on the Hill can be intimidating, especially if you come from a community that does not have the resources or connections to prepare you for a career in DC. That is where the Latino Hill Staff Academy comes in. LHSA has helped build my confidence in the workplace, grounded me in my purpose, brought me further into the Latino community on the Hill, and prepared me to take the next step in my career.”

LHSA Participant, 2024

Coordinating Powerful Career Experiences on the Hill

In 2024, a total of 60 Congressional offices and Committees hosted a CHCI Intern and/or Fellow, 28 of which were Congressional Hispanic Caucus offices. Three Fellows also held a placement in a federal agency. **CHCI is grateful for the Members of Congress who continue to create and sustain a strong connection to program participants, providing unique and transformative opportunities for career development.**

ALUMNI

CHCI'S POWERFUL NATIONAL NETWORK

In 2024, the CHCI alumni network continued to support CHCI in developing the next generation of Latino Leaders. Alumni were deeply involved in the delivery of programming — from volunteering to offering their expertise as trainers and panelists, their participation advanced CHCI goals. Alumni also hosted and co-hosted a series of virtual and in-person events and offered professional development activities aimed at strengthening leadership skills for fellow alumni.

ALUMNI AWARDS

The Medallion of Excellence for a Distinguished Alumnus and **Young Alumnus Award** recognize CHCI alumni who have made extraordinary contributions to the Latino Community. These prestigious annual awards highlight the impact of CHCI's programs and the prominence of their alumni. Those considered are judged on the full range of their professional and community accomplishments.

- University of Denver - Josef Korbel School of International Studies
- University of Michigan - Ford School of Public Policy
- University of Southern California - Sol Price School of Public Policy
- University of Virginia - Frank Batten School of Leadership and Public Policy

EVENTS

CHCI convened Members of Congress, corporate executives, issue experts, community advocates and leaders, and program participants and alumni throughout 2024. Through policy-centered events that showcase national convening power, CHCI offered advanced-level discussions focused on solutions to the most pressing challenges facing the nation and the Hispanic community. With record attendance at every convening, CHCI held a larger number of events than ever before, engaging over 8,500 attendees throughout the year. Events included policy briefings, issue summits, a 5K Day, and CHCI's signature Hispanic Heritage Month events, featuring the 2024 Annual Leadership Conference and the 47th Annual Awards Gala.

EVENTS OVERVIEW

The year began with high-impact events, including the 2024 Issue Summit, where leaders engaged in critical conversations about topics like health, technology and education. In the spring, the Capitol Hill Policy Briefings led by Postgraduate Fellows presented timely research on national issues. In the fall, the CHCI Hispanic Heritage Month events convened over 3,000 attendees and featured the participation of President Biden, Vice President Harris, and 57 Members of Congress. The year concluded with the CHCI Symposium on Energy, Infrastructure, and Sustainability and the 2024 Congressional Staff Awards.
