WELCOME TO THE CONGRESSIONAL HISPANIC CAUCUS INSTITUTE 2020 HISPANIC HERITAGE MONTH EVENTS

Rep. Ruben Gallego
CHCI Chair

Marco A. Davis
CHCI President & CEO

Welcome to the CHCI 2020 Leadership Conference, the gathering of Latino and other leaders that begins our Hispanic Heritage Month activities. This year's theme, **Our Voice, Nuestro Poder**, is more important than ever before. The current challenges—a global pandemic that is impacting the lives and livelihood of the Hispanic community in ways we never could have imagined, and, added to that, the decades-long racial injustice that was exhibited through horrific acts of violence against Black Americans caught on video, have both exposed deep disparities in our society, and provoked serious action and reflection among all of us.

In an all virtual setting, our Leadership Conference will feature an engaging lineup of more than 200 speakers, presenters, and moderators who are global and national leaders, public officials, advocates, policymakers, community leaders, and journalists recognized for their vision, expertise, and influence in the public, private, and nonprofit sectors. Plenaries and breakout sessions will provide insightful and timely conversations on climate change; health and wellness including disparities, inequities, and the impact of COVID-19; education; immigration; Latino identity; leadership and representation; and the importance of civic engagement. Speakers will also tackle why diversity in leadership roles across all sectors is needed to help dismantle systemic racism and disparities and unlock possibilities for all members of our society.

This year, two new features include a virtual **Career Fair** for employers who want to connect with top Latino talent, and jobseekers interested in learning about new opportunities in all sectors. The **Pitch Competition**, named the **COVID-19 Recovery Investment Program**, will feature remarkable Latino business, nonprofit, and community leaders who have launched or grown efforts focused on COVID-19 recovery in their communities.

For more than 40 years, CHCI has educated, empowered, and connected Latino leaders who are actively changing the economic and public policy landscape in the United States. By convening leaders from the public, private, and nonprofit sectors to discuss the issues facing the Latino community and the nation, we foster a dialogue that produces solutions for the challenges we all face, and help forge a path to a stronger, united, and more just America that upholds its founding values.

CHCI is the premier Hispanic leadership development organization in the nation's capital; all that we do stems from our commitment to developing the next generation of Latino/a/x leaders. The R2L NextGen Participants, Congressional Interns, Public Policy and Graduate Policy Fellows, and more than 4,000 CHCI alumni we serve make an impact through the activities they carry out. We are pleased to be able to support their continued leadership development and contributions, and your participation and support is vital to our mission. The Latino community is 63 million strong! At our Leadership Conference, we will collectively raise our voice, nuestro poder to make a difference and identify the way forward as Latinos continue to be the largest, youngest, and fastest growing demographic of our society. We all count, and we must make sure the world knows it.

The support we receive for our Hispanic Heritage Month events – including this Leadership Conference – is a vital funding source for our programs and activities. We are grateful to our sponsors for their leadership, and for everyone's support and participation, which represent an investment in the nation's future. We hope you enjoy the next few days of conversation about leading our community and the country forward, and kicking off an outstanding Hispanic Heritage Month.

Sincerely,

Rep. Ruben Gallego (AZ-7)
CHCI Chair
