SEE REAL TONE IN ACTION

Presented by **Google**

Google's mission is to make its camera and image products work more equitably for everyone. Google has created a photo moment that showcases the improvements they have made to their smartphone's camera; fine tuning their algorithms to more accurately highlight diverse skin tones the right way.

AUGMENTED REALITY BOOTH

Presented by **Meta**

When Facebook launched in 2004, it changed the way people connect. Apps like Messenger, Instagram and WhatsApp further empowered billions around the world. Now, Meta is moving beyond 2D screens toward immersive experiences like augmented and virtual reality to help build the next evolution in social technology.

DISASTER PREPAREDNESS KITS

Presented by **State Farm**

Join us as we prep disaster supply kits that will be donated to schools in our local community! After an emergency, you may need to survive on your own for several days. Being prepared means having your own food, water and other supplies to last for several days.
